President's Message

Welcome on behalf of the Aroostook County Conservation Association. Your presence and support are greatly appreciated.

Our mission and purpose is to “preserve, protect and enhance the whitetail deer herd in Aroostook County.”

We strive to enhance wildlife and fisheries habitat, to encourage the wise use of these resources, and encourage landowner partnerships to accomplish these goals.

We will educate and encourage youth by providing them with experiences to assist in wildlife and fisheries conservation and management and to promote sporting opportunities for future generations. We work with government agencies, commercial and private landowners, business and individuals with management efforts on predator control and winter survival efforts on whitetail deer, moose and other wildlife.

Your attendance at this banquet will help us raise funds we need to continue our efforts.

Jerry McLaughlin

President
