**Our mission is to “preserve, protect, and enhance the whitetail deer herd in Aroostook County.” We strive to enhance wildlife and fisheries habitat, to encourage the wise use of these resources, and encourage landowner partnerships to accomplish these goals. We will educate and encourage youth by providing them with experiences to assist in wildlife and fisheries conservation and management and to promote sporting opportunities for future generations. We work with government agencies, commercial and private landowners, businesses and individuals with management efforts on predator control and winter survival efforts of whitetail deer, moose, and other wildlife.**
